**Date: February 4, 2019**

### **From The Principal**

Welcome to February, and with this new month comes a stretch of cold weather. Please make sure your child is dressed appropriately for this weather as recesses will be out doors. In the remote event of a **school closure due to inclement weather**, I will send out an email and phone message using the School Messenger system.

We are having a very difficult run of illness in the school. Right now it is a regular occurrence to have four or five staff away as well as numerous students. Please encourage your child to **wash their hands** regularly as this is the most effective way of avoiding cold and flu. If at all possible, please do not send your sick child to school as this will result in spreading the illness to others.

At James Bay we welcome all types of wheeled transport that students use to get to school from bicycles to scooters. However, please remind your child that if they do bring their wheels to school, they need to be **wearing a helmet**.

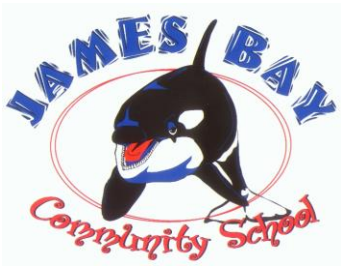

Have a happy February!

### **From Division 2**

# Babysitting Course (11-15 yrs)

The Canadian Red Cross Babysitting course covers everything from managing difficult behaviours to essential content on leadership and professional conduct as a babysitter. Babysitting promises to deepen and enhance the responsibility that older youth feel when caring for younger children. The updated curriculum, complete with new science, also provides improved learning when it comes to giving the appropriate care in the event of an emergency.
