BI-WEEKLY MEMO

Date: April 29, 2019

From the Vice-Principal

Spring is here and along with it comes track season! Our track program is for students in grades 3, 4, and 5. All students will be practicing during school time as part of their Daily Physical Activity. The events that students take part in are the 800m run, 100m sprint and the 4x100m relay. We are currently in the process of running with the kids, teaching them techniques and organizing relay teams. Our zone track meet is on Monday May 27th (during the day) at Uvic. We plan to find a spot for all students interested in running and generally take all students in grade 3, 4, and 5 to the track meet for the day. If your child is in an 'A' flight or 'B' flight and they come first or second in the zone track meet, they have a chance of going to the City Finals on Thursday May 30th at 6pm. Please let Mrs. Swan know if you have any questions or concerns. lswan@sd61.bc.ca

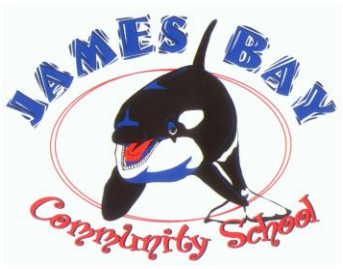

From The Community

From Saturday May 4th to September 28th from 9 am – 3 pm at the corner of Menzies and Superior Street, the James Bay Market will transform an unassuming little park to a lively and vibrant community hub.

Featured is a tented children's area where the parents can rest, and the little ones can play and create a weekly craft. We have fresh coffee and tea served at our main tent. We offer live local music and great food to eat on site in our picnic area or take home.

A bounty of colorful fresh spring fruits and vegetables will catch your eye, the air will be filled with the aroma of baked goods and freshly prepared artisan foods, and the vast array of handcrafted gifts from jewelry to body products will delight even the most discerning of shoppers.

Come enjoy the community atmosphere, meet new friends, and enjoy an all-around unique shopping experience.
