BI-WEEKLY MEMO

Date: May 13, 2019

From the Principal:

With the May sunshine comes the concern of sunburn. Please ensure your child is wearing appropriate clothing and has access to sunscreen and a hat especially for field trips. Many fieldtrips are planned between now and the end of school; on Friday many of our intermediate students were at the Rugby tournament and our early primaries walked up to the IMAX. We are also planning a whole school field trip to Gyro Park on June 6TH, as we get closer to summer, we will be sending out information in the school newsletter regarding student summer opportunities.

I hope you had a wonderful Mother's Day Weekend!

From the PAC:

"As we near the end of the school year, the School District 61 is seeking your feedback and input to the proposed catchment boundaries (specific to James Bay especially) for future planning.

Our school is under pressure for space and resources with future James Bay families wishing to attend JBCS.

Catchment and Non-Catchment families attending JBCS are encouraged to provide input.

*Please share your thoughts to
BoundaryReviewTeam@sd61.bc.ca*

There is a District 61 Board meeting on May 27th at 7:30pm if you care to go in person, as well. Thank you for your sharing your time and thoughts with the School Board. It is valuable.

Carrie Peter,
JBCS PAC President

BI-WEEKLY MEMO

Summer is coming
We need your books!

Have you found the pink bin in front of the office?

Thanks to you, 1000X5 has sent over 190,000 books into homes of babies and preschoolers who have few books. 27 agencies in over 60 programs distribute 3 books in a bag to 800-1000 children every month! Including the summer. Please help us fill the shelves so more children can climb onto a lap and hear a good story.

BI-WEEKLY MEMO

Pedestrians

BE PREDICTABLE

Use crosswalks and follow pedestrian signs and traffic signals so that other road users know what you are doing.

YOU HAVE THE RIGHT OF WAY

At crosswalks and uncontrolled intersections – right-of-way and cars must yield to pedestrians. Use caution and make eye contact with oncoming traffic before stepping out.

BE SAFE NEAR BUSES

If taking public transit, stand back from the curb and wait until the bus has allowed passengers to exit before boarding.

BE AWARE OF SURROUNDINGS

Turn off your music and take a break from your phone while crossing the road.

STAND OUT

Consider a light or reflective clothing to make it easier for cyclists and motorists to see you in wet weather, at dusk and at night.

Rolling

PEDESTRIANS FIRST

Slow down and yield for pedestrians at crosswalks and uncontrolled intersections, including all crossings on protected bike lanes.

MAKE EYE CONTACT

It is the best way to make sure that a driver is aware of you. It is still important to ease up and use caution when approaching a vehicle.

USE THE BIKE LANES

When available, use painted bike lanes, or ride as close to the right side of the street as you can on the sidewalk.

GEAR UP

Wear your helmet and use lights at night.

RIDE RESPONSIBLY

Keep at least one foot on the skateboard at all times when riding on the road. Be predictable for motorists, pedestrians and cyclists.

Strolling Victoria Streets

Whether you walk, roll or drive, the City of Victoria wants you to travel safely. Know your rights, roles and responsibilities to help make our streets safer and more comfortable for all users.

Drivers

STAY ALERT

Use extra caution near playgrounds, school zones, and transit stops. When you hear a siren, be prepared to pull over.

BE PATIENT

Children, seniors or persons with disabilities may need more time to cross the road – be respectful and use caution approaching crosswalks, intersections, driveways and parking lots.

KEEP YOUR DISTANCE

Travel at least 3 seconds behind cyclists and maintain at least a 1-metre gap when passing a cyclist or pedestrian on a local street.

MIND YOUR DOOR

Drivers and passengers should shoulder check when opening doors.
